Who can apply?

Only research Institutes of Slovak Academy of Sciences are eligible organisations for funding (up to 100%). Applicants from other Slovak R&D centres have to cover the project costs from their own sources (Letter of Commitment). The teams outside of SAS can be consortium members but not the coordinator of the consortium.

What types of funding are eligible for Slovak researchers?

1. Direct costs

1.1 Personnel costs

- must accurately reflect the work on the project
- may be used only to cover the costs (including health and social insurance) related to work agreements performed outside of employment
- maximum of 15 % of all direct costs
- maximum of 30% of all direct costs, in the case the Slovak project partner (SAS) is consortium coordinator (A project consortium must comprise project partners eligible for funding from at least three different countries, of which at least one team eligible for funding from Russia)

1.2 Material costs and expenditures

- a. *Consumables*: minor equipment and instruments, small-scale office and laboratory material (no basic equipment of the workplace; essential computer equipment is exception)
- b. *costs and expenditures for services directly related to the project*: contracts, consultations, publication of project results, conference fees
- c. *travel costs and living expenses*: limits for travel costs and daily subsistence allowance vary depending on destination country
(Pursuant to Slovak Act. 283/2002 Col. Of Laws on travel reimbursement)

2. Indirect Costs

- administration, energy and infrastructure
- maximum of 20% of all direct costs

Additional national eligibility criteria for the proposal beyond the general criteria in the Terms of Reference of the joint call

Eligible costs as defined in the ToR of the joint call of ERA.Net RUS Plus text can be applied unless they are in conflict with the SAS Financial Rules for awarding grants for research projects.

Priority is given to the SAS Financial Rules.

Upper funding limits for eligible costs?

Maximum amount to 25.000 € per project/year for the funding period of up to 36 months, only on the condition that all respective FPs involved in the consortium approve the project duration for 36 months. In this case, final decision makes Presidium of SAS.

Any other information relevant to the joint call

National phase: Submission of the proposal at the national level will be required in parallel to the international evaluation. The submission will be carried out once the international evaluation and the ranking list have been performed and endorsed by the ERA.Net RUS Plus Call Steering Committee (CSC) and the Slovak project partner has been informed by the project consortium coordinator and invited by SAS to submit the proposal to it (Formular MVT'S). The Presidium of SAS makes the final decision for funding of selected projects.
